Lectures are to be delivered at Tuesday's morning and afternoon sessions by Dr. Sheard. The association will elect officers for the ensuing year at Tuesday afternoon's session.

The fair is to be a huge auditorium, more than three times the size of the Olympia, London's largest hall, which seats 10,000 persons, is one of the steps contemplated by the fair officials.

Several of the British possessions, including Egypt, Australia, New Zealand and South Africa, already have reserved space, according to the letter. It is believed that Canada will join with other countries in making the project a success.

HURRAH! RINGLING DAY ALMOST HERE

Big Circus and Great Spectacle Occupy Five Trains Crammed with Wonders.

The big event which the youngsters and grownups have been impatiently waiting is drawing near, for on Wednesday, May 24, Ringling Brothers' circus is to exhibit afternoon and night in Fairmont. Expectancy never ran so high before and it is likely that this district will send a large delegation to feed the elephants. Unusual interest centers around the gigantic spectacle, "Cinderella," with which the famous showmen are this season opening their wonderful main program. "Cinderella" is probably the best loved of all fairy tales and to see it produced with more than 1,000 persons, hundreds of dancing girls and glorious pageants, indeed gives promise of making "childhood's golden dreams come true." In the same great tent will come the marvelous circus numbers in which 400 men and women performers, scores of trained animals and a galaxy of special features are introduced. The majority of the acts are entirely new to America, the Ringling brothers having secured the pick of those European performers who have been obliged to seek engagements in this country because of the war. The all-new street parade will take place show day morning.

MOUNT CLARE MURMURINGS

Events of the Community Are Set Down by a Telegram Correspondent.

MT. CLARGE, May 22.—The funeral services over the body of the late and venerable D. F. Morgan in the Methodist Protestant church a recent afternoon was attended by a large concourse of friends and relatives from far and near who came to pay their last tribute of respect to the aged citizen. Mr. Morgan was in the eighty-second year of his age, and had spent the most of his life in the vicinity of Lost Creek and Mt. Clare. The obsequies were conducted by his pastor, the Rev. S. J. Satterfield and ably assisted by the Rev. H. B. Wernham of the Methodist Episcopal church. His body was laid to rest in the Sheets cemetery on Lost creek. Among those who attended from a distance were Col. James Bassel and Mr. and Mrs. Blair of Weston; J. V. Blair of West Union; William Blair, of Clarksburg;

Mr. and Mrs. J. G. Jackson and Mrs. Mary Bassel, of Jane Lew.

Several Mt. Clare people attended the Knights Templar convale at Clarksburg Wednesday and Thursday.

Mr. W. P. Weekly accompanied the Grand Army of the Republic of Clarksburg to the state encampment at Sistersville this week.

W. M. Morris went to Salem Friday and on his return stopped off to hear Candidate "Abe" Lilly speak at the court house in Clarksburg in the evening. While a prominent Mt. Clare woman was gathering some rhubarb in the edge of her garden recently she was heard to scream in terror and cry out, "Come quick, a big snake." Whereupon two neighbor men ran to her assistance, one armed with a hoe and the other with a club. Peering into the weeds they saw the form of the supposed reptile lying perfectly quiet. A hard blow with the hoe revealed his snakeship to be a piece of inch rubber hose about six feet long, which did very much resemble a large snake after turning gray with age.

SENT TO THE ROADS.

Miller Carpenter and Vincent Rosky were fined \$5 and costs each Monday in Magistrate T. G. Nicewarner's court and sentenced to serve seven days each on the county roads in default of payment for unlawfully riding a train in the local railroad yards.
